Pearl Harbor Aviation Museum's "Flight Adventures" Returns June 1!

Honolulu, HI – Pearl Harbor Aviation Museum will host *Flight Adventures*, June 1, from 8am – 4pm. *Flight Adventures* debuted at the Museum last year and is slated to be bigger and better than ever! This hands-on aviation event offers a multitude of activities for kids and adults...of all ages. Climb into the open cockpits, learn to fly an RC aircraft, and enjoy the amazing, large scale RC airshow featuring the pilots of Warbirds West and the Paradise Flyers. Don't miss the aerobatics and the awesome experience of watching an RC jet soaring at nearly 200 mph.

Step into the 4,000 square foot interactive gallery called MathAlive! More than 24 exhibits help bring math to life – try your hand at snow-boarding, designing a building, predicting the weather and more. Kids can test their pilot skills by practicing on simulators and then actual take the controls and fly a remote control aircraft on the main runway to earn their first pilot log book.

Other activities offered throughout the day include open cockpits, interactive STEM activities, a selfie station and tours of historic Hangar 79. **There will be two Kids RC Flight Lesson sessions – 8:30 AM and again a 12:00 PM.** Registration is on a first come – first served basis.

And don't miss the large scale RC airshow with full aerial performances – beginning at 10:30 AM and again at 2:00 PM. Both airshows will conclude with our famous Candy Drop.

Admission to *Flight Adventures* is \$5 per person (including entry to Hangar 79); Children ages 3 and under are free.

Pearl Harbor Aviation Museum is located on Historic Ford Island, where bombs fell during the attack on Pearl Harbor, December 7, 1941. Walk on the Pearl Harbor battlefield where the attack began, enter the bullet-scarred hangars, see the control tower and aircraft of the battle, including a Japanese Zero and the B-17 Swamp Ghost. Hear the stories of WWII heroes and their response to the attack that changed our nation and the world. Tour Included, flight simulators and café available.

Pearl Harbor Aviation Museum is a 501(c) (3) non-profit organization. Its mission is to steward America's first aviation battlefield of World War II sharing the artifacts, personal stories, the impact and response to the December 7, 1941 attack and the Pacific region battles that followed, honoring those who have defended our freedom so they might educate and inspire future generations.
